As our operation is inside an old-school brick & mortar bookshop inside an Old 1800's Pharmacy Building – the following preparedness is thus; during open shop or by appointment hours - (1) Plumbing Washroom Sinks, etc. (naturally old and stained) will be surface cleaned and disinfected regularly. (2) All Knobs and handles will be cyclically disinfected as well. (3) Signs will be posted that all customers need to be using face coverings. (4) The owners, as the only current self-employed staff, will also wear face coverings. (5) Hand Sanitizer will be made available for all to use in the shop. (6) Disposable Masks will be made available (bagged by cleaned and gloved hands) for customers who do not have one to hand. (7) Small Children, due to safety concerns for everyone, will be limited by head count, i.e., No Multiple Children in tow. (8) Customer head count shall not exceed Nine People.
